Professional Profile

A diligent and ambitious individual, committed to personal growth and excellence. With a creative mindset and a strong aptitude for quick learning, I am eager to contribute meaningfully to an organization's success while striving to achieve our shared objectives.

Working Experience

1) I successfully completed a six-week internship from November 12, 2024, to December 23, 2024, in the Finance Department at Dadex Eternit Ltd, a prominent publicly listed manufacturing company. During this internship, I gained valuable experience and knowledge in

- Account Receivable
- Account Payable
- Invoice posting
- Bank Reconciliation
- Petty Cash voucher posting
- Bank payment voucher posting
- Statement of financial position

2) Completed a virtual internship in Web Development at CodeAlpha from September 25, 2024, to December 25, 2024. During this internship, gained experience in:

- Web Development
- Project Management
- Team Collaboration
- Code Review and Testing
